Professional Summary

Recently discharged infantry squad commander (mandatory service, 2022-2025) with three years of experience leading a team under pressure. Planned schedules, training and equipment for a 12-person squad and trained more than 40 new soldiers. Looking for an entry-level operations or team-coordination role where planning, reliability and clear communication matter.

Experience

Squad Commander (Staff Sergeant) · Israel Defense Forces, infantry brigade (mandatory military service) 2022 – 2025

- Led a squad of 12 soldiers in field operations and daily routine; responsible for their training, safety, schedule and welfare.
- Planned and ran weekly training programs; took two groups of new recruits (40+ soldiers) through basic and advanced training.
- Managed and accounted for the squad's equipment, with no losses found in quarterly inspections.
- Coordinated transport, logistics and shift rotations with three other squad commanders and the platoon sergeant.

Warehouse Associate (temporary) · Logistics company, southern Israel 2026 – Present

- Pick, pack and ship 150+ orders per shift using a handheld scanner and the warehouse management system.
- Trained two new associates on safety rules and scanning procedures.

Delivery Driver (part-time) · Restaurant, Be'er Sheva 2021 – 2022

- Handled 25-40 deliveries per evening shift alongside 12th-grade studies.
